When we get home, we do our homework first. Then we help our mother do some cleaning. After dinner, we like to talk with our parents about our school life in a day. At nine o'clock, Paula and I go to bed.

On weekends Paula and I don't have to get up early. We usually get up at about nine o'clock. We often go to visit our grandmother. We love her very much! We always have a great time with her.
